Sir,

Sub: Animal Husbandry - Veterinary Dispensary-Opening of at Hanur-Proposal.

Ref: Government Agriculture Department memorandum No.19298-C.I/55-1 dated 12-3-55.

At present there is no proposal to open a Veterinary Dispensary at Hanur in Kollegal Taluk in Coimbatore District. There has been an agitation that a Veterinary Dispensary should be opened at that place in view of the large cattle population which are not getting any veterinary treatment as the nearest Veterinary Institution to the place is about 30 miles away at Kollegal Town.

2. There is a Touring Veterinary Assistant Surgeon at Kollegal but the billet has been kept vacant on account of dearth of Veterinary Assistant Surgeons in the department. As soon as the staff position improves and when a Veterinary Assistant Surgeon becomes available for being posted to the Touring Billet, it is proposed to shift the headquarters of the Touring Veterinary Assistant Surgeon from Kollegal to Hanur if the Collector agrees.

3. It is also reported that there is a building known as "Grama Sangah" at Hanur belonging to the Revenue Department which is vacant and which will be suitable for a Minor Veterinary Dispensary. The District Veterinary Officer, Coimbatore, East, Erode has been asked to find out if the building would be available for this department so that the Touring Veterinary Assistant Surgeon may run a Minor Veterinary Dispensary at the place when his headquarters are shifted from Kollegal to Hanur.

Yours faithfully,

for Director of Animal Husbandry,
Madras.
